YOUR COMPLETE **WAREHOUSE LABELING SOLUTION**

WAREHOUSE

PROGRAM OVERVIEW

With all the challenges you face implementing your WMS system, why tackle it alone when you can have the backing of one of the top experts in the industry?

It takes time and resources to design, test, produce & install custom printed barcode warehouse labels and signs necessary for your project. With all this commitment and effort, successful installation is crucial.

Ink Strokes warehouse combines a thorough understanding of warehouse operations, barcode scanning and label production to help you install an individualized barcode warehouse label solution for you. We help you work through the details of your warehouse labeling needs, so you have more time and energy to focus on your company's daily operations.

At Ink Strokes warehouse, we realize that every installation is a unique project. Variables include the facility, available staff, Go Live date, budget and more.

INITIAL **CONSULTATION**

No two warehouses are ever the same and that's why Ink Strokes begins with a tailored analysis of your facility's particular needs and requirements so that we can produce the labels in a way that makes the installation process efficient. All of our signs & labels are specifically designed for each unique application. We don't try to fit warehouses into one predetermined signage solution- we design customized warehouse signs for your specific needs. Don't let something as simple as poor signage stand in the way of achieving excellence for your warehouse.

CUSTOM **SIGNS** & **PLACARDS**

Our custom warehouse signage solutions provide a consistent look to streamline aisle identification and ensure efficient location of products. With custom warehouse signs, you'll minimize the little mistakes & delays that add up to big frustrations. Try adding color elements or images to your signs to make locations and products easier to find.

COMPLETE **INSTALL** & **PROJECT** MANAGEMENT

When you need the expertise of Ink Strokes to complete a sign or label installation efficiently, our Site Management services provide you with a great option. Ink Strokes warehouse supplies an on-site manager for the label installation to serve as your point person; managing the process from beginning to end.

Also, you will receive a complete set of services from our seasoned team of professional installers including all materials, labor and equipment necessary for your project.

WE MAKE INSTALLING LABELS AND SIGNS IN YOUR WAREHOUSE QUICK, EASY AND ACCURATE.

THE **SOLUTION** TO YOUR **RACK LABELING** CHALLENGES
CLEANBEAM™

REFRESH & PROTECT YOUR RACKING

Whether your beams have seen a lot of use or are brand new, CleanBeam™ will keep them looking fresh for years to come. Just apply it right over any existing labels and damaged beams to cover them completely and protect against future wear. We will match CleanBeam™ to integrate seamlessly with your racking. Reap long-term rewards from this one-time investment.

EFFORTLESS, MESS-FREE LABEL REMOVAL

Once CleanBeam™ is permanently installed on your racking, simply apply your location labels on top of it. Now, when you need to move stock or update a product, you can easily remove the location labels quickly and completely, without leaving any residue. CleanBeam™ will let you say goodbye to expensive magnets and the hassle of scraping old labels, saving you time and money!

CLEANBIN™ COMPLETE BIN PROTECTION

The same CleanBeam™ technology can be used for bins as well. Now you can match the color and size of your bins and cover up old labels or apply CleanBin™ to new bins to keep them looking new. Simply apply your barcode location labels on top of CleanBin™ for easier scanability. No more stacking labels or trying to remove old labels making it easier to find and pick parts.
